HARE COURSING

STEBBING Clay Lane

Sunday 1st November

Rural engagement officers issued a community protection warning which will remain in place for three years to a man after police received reports of hare coursing. He was located with a sight hound by officers. Breaching a community protection warning can ultimately lead to fines or criminal prosecution.

Our neighbourhood policing team and the Rural Engagement Team continue to work closely with farmers, landowners and our rural communities to prevent and disrupt hare coursing and other forms of rural crime.

If you see hare coursing taking place, ring 999 immediately and provide as much information as you can a location, a description of the people involved, vehicle registration numbers, vehicle descriptions and the location and direction of travel without putting yourself at risk..
